**NITRO BLASTER**

## 1/10 SCALE FACTORY ASSEMBLED GLOW-ENGINE R/C 4WD BUGGY

| Parts code                       |  | Parts code |   |
|----------------------------------|--|------------|---|
| 8084143                          | Body & Wing (Assembled)                                    | 7254297    | Receiver (TRU-01)                                       |
| 1824078                          | Body (Transparent)   | 8084050    | Batterybox for Receiver                                 |
| 9804232                          | Sticker (a & b)  | 7255097 *1 | Servo (TSU-01) (1 pc.)                                  |
| 51160                            | 1/10 Nitro Thunder Spare Wing                              | 7604018    | Glow Engine FR-15S                                      |
| Wing                             | x1 5mm O-ring (MR1)  | 41003      | Spare Glow Plug (Medium) (No.1)                         |
| 6mm Snap Pin (MR2)               | x2   | 7684335    | Crank Case (No.2)                                       |
| 9004144                          | Upper Deck Parts Bag                                       | 7684050    | Crank Shaft (No.3)                                      |
| Center Bulkhead Cover (A1) x1    | Rear Upper Deck (A2)                                       | 7684336    | Cylinder & Piston (No.4)                                |
| Front Upper Deck (A3)            | x1   | 7684337    | Heat Sink Head (No.5)                                   |
| 51151                            | NDF-01 B Parts (Bumper)                                    | 7684338    | Connecting Rod (No.6)                                   |
| Bumper (B1)                      | x1 Fuel Tank Guard (B2)                                    | 7684339    | Piston Pin (No.7)                                       |
| 51152                            | NDF-01 C Parts (Lower Deck)                                | 7684340    | Backplate (No.8)  |
| 51153 *1                         | NDF-01 D Parts (Drive Shaft)                               | 7684341    | Screw Set (No.9)  |
| Propeller Shaft A (D1)           | x1 Drive Shaft A (D2)                                      | 7684010    | Head Gasket (No.10)                                     |
| Drive Shaft B (D3)               | x2 Propeller Shaft B (D4)                                  | 7684011    | Backplate Gasket (No.11)                                |
| 9004145 *1                       | Gear Box Parts Bag   | 7684342    | Slide-Valve Carburetor Assembly (No.12)                 |
| Gear Box L (F1)                  | x1 Gear Box R (F2)   | 7684063    | Retainer w/Retaining Nut (No.13)                        |
| 9004146                          | Center Bulkhead Parts Bag                                  | 7684343    | Recoil Starter Unit (No.14)                             |
| Center Bulkhead (Rear) (G1) x1   | Center Bulkhead (Front) (G4) x1                            | 7684015    | One-Way Clutch (No.15)                                  |
| 1060 Plastic Bearing (F4)        | x2   | 7684016    | Starter Shaft (No.16)                                   |
| 9004147                          | Center Crank (G2)  | 7684344    | Slide-Valve Carburetor (No.17)                          |
| 9004148                          | Wheel Nut Wrench (G3)                                      | 7684345    | Slide-Valve Rotor Set (No.18)                           |
| 51154 *1                         | NDF-01 J Parts (Suspension Arm)                            | 7684066    | Needle Valve Set (No.19)                                |
| Upper Arm (J1)                   | x2 Lower Arm (J2)  | 7684026    | Carburetor Collar Set (No.20)                           |
| 51155                            | NDF-01 K Parts (Front Suspension Mount)                    | 7684070    | Carburetor O-ring Set (No.21)                           |
| Front Suspension Mount R (K1) x1 | Front Suspension Mount L (K2) x1                           | 7684052    | Crank Shaft Bearing (Front) (No.22)                     |
| 51156                            | NDF-01 L Parts (Rear Bulkhead)                             | 7684053    | Crank Shaft Bearing (Rear) (No.23)                      |
| Rear Suspension Mount U (L1) x1  | Front Servo Stay (L2)                                      | 7684067    | Piston Pin Retainer (No.24 x8)                          |
| Rear Bulkhead (L3)               | x1 Servo Nut (L4)  | 7684068    | Boots for Slide-Valve Carburetor (No.25)                |
| Rear Suspension Mount L (L5) x1  |  | 7684346    | Muffler Gasket (No.26)                                  |
| 51157                            | NDF-01 M Parts (Diff. Bushing)                             | 5404010    | Engine Mount  |
| Suspension Joint (M1)            | x6 Spring Retainer (M2)                                    | 5494011    | Muffler   |
| Differential Bushing (M3)        | x8 Throttle Rod Guide (M5)                                 | 41071      | NDF-01 Fuel Tank (75cc)                                 |
| Rod End (M6)                     | x3 8x6mm Spacer (M7)                                       | 41054      | FS Engine 32mm Enhanced Air Cleaner                     |
| Saver Horn (M10)                 | x1 Brake Rod Mount (M11)                                   | 41055      | FS Engine 32mm Enhanced Air Cleaner Filter Set (6 pcs.) |
| 9114029                          | Mechanics Box Parts Bag                                    | 41039      | Air Filter Oil  |
| Mechanism Box L (N1)             | x1 Mechanism Box U (N2)                                    | 41053      | 2x5mm Silicone Fuel Pipe (Blue, 1m)                     |
| 51159                            | NDF-01 P Parts (Wing Stay)                                 | 9805343    | Velcro Tape (2 pcs.)                                    |
| Front Body Mount (P1)            | x1 Under Guard (P2)  | 9805211    | Sponge Tape   |
| Wing Stay (P3)                   | x2 Front Center Body Mount (P5) x2                         | 51174 *1   | NDF-01 Diff. Joint (MA1 x2)                             |
| Rear Body Mount (P6)             | x1   | 5404009 *1 | Diff. Case (MA2 x1)                                     |
| 51000                            | Hi-Torque Servo Saver (Black)                              | 51169 *1   | NDF-01 Ring Gear (MA3 x1)                               |
| Q Parts (Q1-Q6)                  | x1 Servo Saver Spring (Green) x2                           | 3454258    | Pilot Shaft (MA4)                                       |
| Servo Saver Spring (Black) x1    |  | 5494008    | Flywheel (MA6)  |
| 51158 *1                         | NDF-01 S Parts (Upright)                                   | 51167      | NDF-01 Brake Disc (MA7)                                 |
| Long Socket (S1)                 | x2 Short Socket (S2)                                       | 51164      | NDF-01 2112 Ball Bearing (MA8 x4)                       |
| Upright L (S3)                   | x1 Upright R (S4)  | 53126      | 1510 Sealed Ball Bearing (MA9 x2)                       |
| 50950 *1                         | C.V.A. Shock Unit II (Short/Lobg) X Parts (X1-X11, 2 pcs.) | 50797      | 5mm Short Adjuster (MA10 x8)                            |
| 0225073 *2                       | Y Parts (Y1-Y3, 1 pc.)                                     | 0445563    | 4mm Adjuster (MA11 x3)                                  |
| 9114031                          | Throttle Servo Horn (1 pc.)                                | 51177 *2   | NDF-01 Suspension Ball (MA12 x2)                        |
| 51185                            | NDF-01 Clutch Bell & Driven Gear (13T/57T)                 | 9415872    | 6mm Ball Connector (MA13 x10)                           |
| Driven Gear 57T                  | x1 Clutch Bell 13T (MA5)                                   | 9804205    | 5mm Ball Connector (MA14 x4)                            |
| 0004251 *1                       | Wheels (2 pcs.)  | 50591      | 5mm Ball Collar (MA15 x5)                               |
| 51163 *1                         | NDF-01 Pin Spike Tires (2 pcs.)                            |            |   |
| 7254324                          | Transmitter (TTU-03)                                       |            |   |
| 8084101                          | Batterybox for Transmitter                                 |            |   |
